

Certificate II in Automotive Mechanical (Vehicle Servicing)

National Code: AUR20505
Pre-apprenticeship

Automotive Technology
DANDENONG Campus
Bldg C, 121 Stud Road
Dandenong Vic 3175

FRANKSTON Campus
Bldg R, Fletcher Road
Frankston Vic 3199

WHAT IS THE PRE-APPRENTICESHIP PROGRAMME?

This is a fully accredited course specifically designed for people who wish to enter the Automotive industry.

The program is sufficiently rigorous to ensure the necessary level of competency required and provides general knowledge and skills in areas common across sections of the automotive industry.

This course provides a pathway to Automotive graduates to undertake further training as well as for recent school leavers with an interest in the industry.

If you gain an apprenticeship in the Automotive area after successfully completing this course, the schooling component of the apprenticeship training may be reduced.

This course is offered at :

- Dandenong campus - will take 6 months of full time study (approx. 370 hours) to complete
- . Frankston campus – will take approx 4-5 months of full time study (approx. 370 hours) to complete

WHAT ARE THE COURSE ENTRY REQUIREMENTS?

Year 10 literacy and numeracy skills.

It is expected that those candidates with literacy/numeracy needs will take preparatory training prior to enrolment. All applicants will be required to attend an interview.

EMPLOYMENT OPPORTUNITIES

Apprentice Motor Mechanic, spare parts, automobile dismantling.

Study Areas		
Module Code	Module Name	Hours
AURC270103A	Apply Safe Working Practices	20
AURT270278A	Use & Maintain Workplace Tools and Equipment	20
